科 目：英文作文

試題紙第 1 頁共 1 頁

Please describe an event, which may last as short as a few moments or as long as a couple of days, and which might be sad, frightening, interesting, unpleasant or even decisive for your outlook on life. Just do it in the manner of storytelling with all the details of setting, time, personages informed, as well as the event's cause, effect, aftermath, etc. We are especially looking forward to seeing its psychological impact on you.

Make sure your description range from a minimum of 150 words to a maximum of 250 words!

Beware of the tense!

This composition will start with the title as follows:

A/An _____ Event in My Life
