Choose **either** of the following two sets of questions, and write about it in a fully developed fashion (that is, a self-contained essay with an introductory paragraph followed by at least two developmental ones, and then a conclusion. Your thesis statement is supposed to be embedded in the intro. Word limit: 500~600 words)

1. What are some of the negative effects that computers can have on students' academic success? What are some of the positives effects of computers? What do some school counselors suggest might be the causes of internet addiction in college students?
(Topic: **Surfing's Up and Grades Are Down**)
2. Remember a time when you had a misunderstanding with someone because of miscommunication. This could be something that happened between you and a friend, a roommate, a family member, or someone at school. Write about the situation and the different ways you and the other person understood the situation.
(Topic: **Intimacy and Independence**)
