編號：A7-35

科目：英語語言學概論

試題紙第    頁共    頁

Answer two of the following essay questions **in English**. (四題問答題，

選二題作答。) 100%

1. How is second-language learning different from first-language acquisition?
2. What is a *dialect*? How is it different from a language?
3. Why is English used so widely as an international language? When we speak of the spread of English throughout the world, why is it more accurate to speak of the spread of “Englishes”?
4. What are *pidgin* and *creole* languages?
