The Taipei 101 Tower

The Taipei 101 Tower in Taiwan is one of the tallest buildings in the world. It is 508 meters tall. It has an unusual design. It looks like a bamboo plant. The lucky number eight is also part of the design. Each section of the building has eight floors.

The tower is like a small city. There is parking for more than 1,800 cars underground. A shopping mall fills several floors. There are two hotels, a health club, many restaurants, and a lot of offices.

Near the top of the building- on floor 89 to 91- there are observation areas with good views of Taipei. You can get to these on some of the world's fastest elevators. The
